Neuware - Seldom does a book achieve status as a classic in its first edition, but The Art of Aesthetic Surgery by Foad Nahai has been hailed as a masterpiece since its inception. Reviews have been universally laudatory, and residents and experienced practitioners alike have embraced this work as the ultimate resource on all things aesthetic. Now, this landmark work has been totally revised and updated with new chapters (many with new authors) and revisions to existing chapters to reflect the latest trends, techniques, and information. The text is supplemented with three DVDs with step-by-step videos of operative procedures. Volume III Contents The third volume discusses breast augmentation, reduction, and mastopexy as well as body contouring, gluteal augmentation, and liposuction. World-Renowned Authors Dr. Foad Nahai is an acknowledged leader in aesthetic surgery. He has personally written many of the chapters. His contributors, representing the 'who's who' of aesthetic surgery, provide detailed accounts of their techniques for the different operations, as well as the planning process so crucial to producing excellent results. Help with Decision-Making Of particular note are the clinical decision-making chapters authored by Dr. Nahai. This invaluable...
