Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

ONE-PAGE MATH GAMES

Scholastic US, United States, 2011. Paperback. Book Condition: New. 267 x 211 mm. Language: English . Brand New Book. This collection of irresistible games targets the math skills students in grades 2-3 need to know, including addition, subtraction, time, money, and place value. The 30 easy-to-prepare activities use common manipulatives and consist of one-page reproducible game boards and simple directions students can follow independently. A great way to keep student pairs engaged and learning during seatwork and center time--and perfect to send home so students can get in even more practice. For use with Grades 2-3.
