John Wiley & Sons Inc. Paperback. Book Condition: new. BRAND NEW, Ready-to-Use English Workshop Activities for Grades 6-12: 180 Daily Lessons Integrating Literature, Writing and Grammar Skills, Ledbetter, This unique resource gives middle and secondary school English teachers 180 high-interest activities that build students' proficiency in the three major areas of the English curriculum - reading/literature, writing, and grammar. All the activities have been classroom tested, can be used with students of varying ability, and are effective as individual, group, or whole-class activities. For quick access and easy use, the activities are organized into 36 weekly packets-each packet including five 'Dailies' - and printed in a big 8-1/4" x 11" lay-flat format for easy photocopying. Each 'Dailies' activity begins with a well-written student passage followed by prompts that encourage students to examine the passage in terms of usage, stylistic devices, grammatical concepts, punctuation, and reading/literature skills. The activities require students to learn the rules that apply and to use the examples as springboards for their own writing. You'll find that these integrated 'Dailies' activities are ideally flexible. They can be completed as 'warm-ups' at the beginning of class, as mini-reviews for more advanced students, or serve as walk-through activities or homework assignments for students who need reinforcement. Each activity will lead to inquiry and lively discussion as students analyze the model passage and learn to write effectively.
