

Assisting Students with Disabilities: A Handbook for School Counselors

By Julie P. Baumberger, Ruth E. Harper

SAGE Publications Inc, United States, 2007. Paperback. Book Condition: New. 2nd Revised edition. 226 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This new edition revisits the important role that school counsellors play in the personal, social, academic, and career development of students with disabilities. While school counsellors play a critical role in the planning and distribution of services to students with special needs, they may have very little training in this area. Baumberger and Harper s essential handbook has been updated throughout to help counsellors work confidently and competently with students who may require special services. The specific model they originally developed is even more useful today as counsellors document the ways in which they connect student data with appropriate interventions. The book chapters provide: / Clear explanations of recent changes shaping the legal context for working with students with disabilities / Tips to help counsellors identify students eligible for special services / Suggestions for designing realistic, measurable IEP goals / A number of case studies that walk readers through effective counselling responses / Insight into gaining parents trust, involving families positively in schools, and counselling siblings of students with disabilities / Strategies for integrating...

Reviews

This book may be really worth a read through, and far better than other. it was actually writtern extremely completely and valuable. I am just very easily will get a satisfaction of looking at a published ebook.

-- Lillie Toy

It is easy in read through easier to fully grasp. it had been writtern very completely and useful. I am pleased to let you know that here is the greatest book we have read during my personal life and could be he very best book for possibly.
