By Peter Hannaford

Images from the Past, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Ronald Reagan is thought of as a Californian, a westerner, but the values that guided him all his life are straight out of the American heartland where he was born and spent the first twenty-one years of his life: northwestern Illinois. He was the product of four generations of rural settlers. The characteristics associated with him - self-reliance, self-confidence, modesty, optimism, loyalty, tolerance, determination, good humor, and reverence for God - all came from his teachers, clergy, role models, the circumstances of his youth, and especially his parents. Reagan s Roots traces the development of all these elements of his character so that the reader will come away with a better understanding of what made this man a successful and beloved president.
